

## Air heater

# Type S36

up to 3300 Watt

### Technical data

### S36

| Item No.            |                | 5101426       | 5101436       |
|---------------------|----------------|---------------|---------------|
| Voltage             | V              | 230           | 120           |
| Power               | W              | 3300          | 2200          |
| Frequency           | Hz             | 50/60         | 50/60         |
| Max. temperature    | °C             | 650           | 650           |
| Min. air flow       | l/min          | 300           | 200           |
| Air connection      | Ø mm           | 19,0          | 19,0          |
| Air outlet          | Ø mm           | 22,0          | 22,0          |
| Dimensions          | mm (l x w x h) | 225 x 70 x 58 | 225 x 70 x 58 |
| Weight              | kg             | 0,5           | 0,5           |
| Protection class II | □              |               |               |
| Marking             | CE             |               |               |

### Accessories

| Item No. | Description                      |
|----------|----------------------------------|
| 5107250  | Flange connection                |
| 5107003  | Angle nozzle 90 degrees, Ø 12 mm |
| 5107261  | Wide slot nozzle 70x4 mm         |
| 5107251  | Extension tube 210x36,5 mm       |

Different voltages, power and special versions, such as external activation via controller or SPS possible.
