

ASCENT MACHINERIES & ENGG. SERVICES

S. No-2, 1st Floor, Nalanda Shopping Center, Station Road, Goregaon (W), Mumbai – 62.
Tel: +91-22-22915887 Fax: 66910293 Mob: 9819063898 Email : ascent08@hotmail.com

REACTORS

We offer wide range of Process Reactors to meet diverse Process application.

∴ We Offer with process & Mechanical design as per individual needs.

∴ Special design Agitators to perform varied operation for optimum performance.

∴ Drive Assembly offered with Mechanical seals, Gland packing designs & even Hermetic sealing.

∴ Heat Transfer offered to meet high & low temperatures from -70o C to 400o C by either Jacketed, Limpeted, Internal Coil Construction or their combinations.

Capacity from: 100 Ltr to 25000 Ltr. In M.S., S.S.304, S.S.316, Material,

Applications : Chemical, Pharmaceuticals, Food Products Dyes & Intermediates, in GMP & Non GMP models.

Design, Manufacture, Testing & Supply of Chemical Process Equipments as per Various Applicable in International Codes such as ASME / TEMA / BS 5500 / API / E.E.U.

Rotary Process Equipments / Static Process Equipments / Specialised Plant Equipments

Pressure Vessels / Heat Exchangers & Heating Systems
